we pore over paint charts and bring home tester pots
still, that's well above the 8 to 9 a share that icahn paid for his mentor shares
and support until someone actually does a more thorough investigation (as previously mentioned who would
it's really helping with the panic though - i've even tackled spiders
honey, your symptoms are just the same as mine, because the cramping is bad
moreover, it is somehow imbued with the holy spirit, the third aspect of the christian trinity
