Indeed Christmas day was one I will not forget in a hurry. Tried the same as you including anti-septic spray and Bechams powders.

As to what is wrong by it, it is usually electrician's.

First good look at them but you don't really know until a dog is 12 months what you have physically.

I ate like a horse, made sure I ate at least 1 gram of protein per pound of body weight, and I used Mike Mentzer high intensity training routines (aka heavy duty).
